JOHN'S NEWS AND VIEWS

After two successive victories we have come unslick with two successive defeats, which once again underlines our inconsistency.

Against Wolves last Saturday we never got out of bottom gear and the general standard of our play fell well short of what we produced when we entertained Bristol Rovers three days earlier.

They were the slicker and more positive side throughout and we were second best in every department when we should have called the tune and made ground advantage count.

But we never played with the passion and determination we showed against Third Division Bristol Rovers and were made to pay for our short-comings.

We gave a better account of ourselves at Carlisle on Monday but were finally beaten by two late goals after playing the more polished football.

But it is no good being the better side if you don't win and that is something we have got to put right. We must convert our superiority into goals.

On Monday Carlisle were fortunate to get away with an obvious foul when they scored their second goal with eight minutes to play but these are the sort of things that can happen when you waste chances down the other end.

Once they went in front we pushed players forward in an attempt to level matters and they got their third goal when they caught us on the break.

This afternoon we face a tough task against newcomers to the Fourth Division and I am sure that Phil Neal doesn't intend to allow his team to remain in the Fourth Division a day longer than necessary.

They've had a couple of wins and a draw so they've settled fairly quickly to the demands of life at the bottom. They are fancied by the bookmakers to make a quick return to the Third Division but we will be doing our best to dent their chances this afternoon.

Best wishes, JOHN

FOURTH DIVISION

After losing at Scarborough last Saturday **Bolton Wanderers** bounced back with a 2-0 win over **Peterborough United** on Monday. Steve Thompson and John Thomas scored the goals that keeps Wanderers in touch with the leaders.

Previously Jeff Chandler got the goal that gave them a 1-0 win over **Cardiff City** and Gary Henshaw was on the mark when Bolton opened the season with a 1-1 draw at **Crewe Alexandra**.

But Wanderers bowed out of the Littlewoods Challenge Cup last week after beating **Wigan Athletic** 3-2 on the Third Division club's ground. But they went down 3-1 in the return tie at Burnden Park.

Newcomers **Scarborough**, who beat Wanderers 4-0 last Saturday are the section's top scorers after four matches.

They took their tally to 10 goals when they won 3-1 at **Colchester** on Monday and much-travelled Ernie Moss, who is 38 next month, opened his account for the newcomers by scoring one of the goals.

Exeter City, the last of the 100 percent teams in the Fourth Division with three wins from three games, lost their record on Monday when **Tranmere Rovers** beat them 2-1 with goals from Mark McCarrick and Carter.

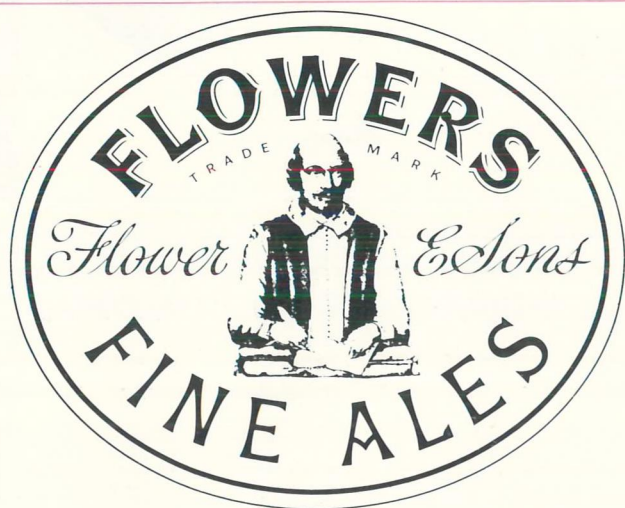

Torquay United, **Leyton Orient** and **Rochdale** are now the only unbeaten teams in the competition, and Hartlepool United and Newport County are the only teams without a win.

Paul Dobson tops Torquay's scoring list with five goals and Brent Hetherington, the Carlisle striker who scored against Hereford United on Monday, also has five to his credit. The Fourth Division, however, is not winning any marks for good behaviour this season.

A fortnight ago the captain of **Stockport County**, Clive Evans, and the **Newport County** skipper, Phil Brignull, were both given their marching orders. Last Saturday when seven league players were sent off, six of them came from the Fourth Division, including two from Wrexham!

The Wrexham players were John Bowden and Roger Preece and the other defaulters were Peter Butler (Cambridge United), Joe Allon (Swansea City), Errington Kelly (Peterborough) and Keith Downing, who was sent off when Wolves visited Edgar Street.

Allon was dismissed in the local derby match between Cardiff City and Swans at Ninian Park and will miss next Saturday's match when Hereford United visit the Vetch Field.

COMMENT

With the season well underway, we are now looking at our lottery to give us an extra cash boost to help us climb the promotion ladder. The rub off style lottery is not as popular as it once was, but with £1,000 to be won as the top prize, there is still a demand for tickets.

That is why we need more agents to sell tickets for the Club - so if you are 16 or over, want to help Hereford United and at the same time earn some extra cash and bonus prizes, why not join our team. The Hereford Lottery needs your help.

For further information call in at The Promotions Office in Blackfriars Street, and ask how to become a United lottery agent or telephone 273155.

Steve Spooner presents the Wyevern Pool winning cheque to Mrs. Sheila Morgan who won a record breaking first dividend of £523.62 in last week's Wyevern Pool but the record was broken again on Wednesday when Mrs. Rose of Lloyd Street, Hereford won £523.76.

TODAY'S MASCOT

We have some special match mascots today, who won the right to be the mascot at the St. Weonards Primary school fete by taking part in a penalty competition against United Goalkeeper Kevin Rose - and beating him! Normally we have one, or at most two mascots for a match and, of course, we didn't expect Kevin - who has twice saved penalty's in the League already this season - to allow too many to get past him.

Perhaps being beaten **three** times by HELEN MOXLEY, JUSTIN MILES and GAVIN HARTLEY, all children from St. Weonards Primary School got him into practice for the season, and we must congratulate the youngsters for achieving a feat that, to date, two professionals have failed to do - score a penalty against Kevin.

We hope the youngsters enjoy their day with us, and thanks also must go to Steve who organised the event.

UNITED CHATTERBOX

Hereford Admag are again Hereford United's main sponsors for the season and before last Saturday's match MR. JOHN PRIEBE, proprietor, and FRED KING, managing director, handed over a sizeable cheque to club chairman Peter Hill and vice-chairman Michael Roberts.

Congratulations to Stewart Phillips and his wife Joanne on the birth last week of a bouncing baby boy.

But Master Matthew was rather impatient like his grandfather, director Archie Phillips, and arrived six weeks premature.

Stewart marked the occasion by scoring the goal that put United into the second round of the Littlewoods Challenge Cup for a two-leg date with Nottingham Forest.

United visit the City Ground on September 23rd and it will be an early return for Ian Bowyer to the ground where he played so many great games.

When United last visited the City Ground Forest won 4-2 and Ian scored two of their goals.

★ ★ ★

The Freight Rover Trophy will be played earlier than usual this season and United will visit Bristol Rovers on October 28th and

entertain Torquay United on November 25th.

Two teams from each of the 16 groups will qualify for the first round proper of the competition.

Last season United qualified 4-1 on goal difference after beating Newport County and losing to Port Vale. They went onto pip Wolves 1-0 at Molineux but were then beaten at Swindon.

★ ★ ★

Ian Benbow, who signed a full-time contract during the summer after completing two years as a YTS player with United, made his Fourth Division debut at Carlisle on Monday when he came on as a second half substitute for Ian Rodgeron.

Ian, aged 18, hails from Leominster and is a former county player who has a bright future in front of him.

Hereford United suffered their second successive league defeat when Carlisle United beat them 3-1 at Brunton Park on Monday. The home team got off to a flying start when Steve Hetherington bagged his fifth goal of the season but Ollie Kearns equalised in the 15th minute from a right wing cross. On the half-hour Kevin Rose saved his second successive penalty away from home and just when the game appeared to be heading for a draw Malcolm Poskett put Carlisle ahead in the 82nd minute and Jonathan Clark made it three in the last minute.

HOOK, OLD HOOKY, THEAKSTONS, OLD PECULIAR,

BOLTON WANDERERS

were founder-members of the Football League and were relegated to the Fourth Division at the end of last season for the first time in their 109-year history.

They finished fourth from bottom to qualify for the play-off matches but were beaten 3-2 on aggregate by Aldershot in extra time.

Bolton have an illustrious past and won the F.A. Cup three times between 1923 and 1929 but despite their cup fighting prowess they have never won the First Division championship. The highest that they have finished is third on three occasions.

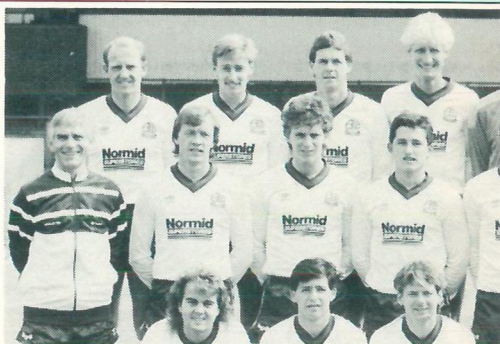

In 1971 they sank into the Third Division for the first time but two years later climbed back as champions and in 1978 won the Second Division title.

But they slipped back down the ladder again in 1980 and have now arrived in the base-metal section.

Like most clubs in recent years Wanderers have experienced financial problems but the sale of land for a superstore development has helped to stabilize their position.

During the past few years they have spent £750,000 on ground improvements and developments including the refurbishing of the club gymnasium, the laying of an all-weather training area, new turnstiles and various safety measures.

Bolton manager **Phil Neal** made over 700 appearances with Liverpool, Northampton and Bolton, and won a record eight league championship medals. He also collected league and milk cup medals and was capped

50 times by England.

During the summer he has been out and about spending money to strengthen the team. He paid £30,000 to Preston North End for front runner **John Thomas**, who bagged 28 goals last term. Thomas started life with Everton and also had spells with Bolton five years ago, Chester and Lincoln, in addition to Tranmere and Halifax on loan.

Jeff Chandler also cost £30,000 when he moved to Burnden Park from Derby County, whom he helped gain promotion to the First Division. He started his career with Blackpool and played for Leeds United before joining Wanderers initially in 1981 in a £40,000 transfer.

Neal also paid £20,000 to Bristol Rovers for **Trevor Morgan**, who has played over 300 league games with AFC Bournemouth,

He also had spells with Oxford United and Burnley.

He has returned on a free transfer and newcomers **Gary Henshaw** and **Dean Crombie** are also free transfers. Crombie made over 350 appearances with Grimsby Town, and Henshaw also had five seasons at Blundell Park where he served his apprenticeship. He made 29 appearances for Grimsby last term.

Goalkeeper **David Felgate** is in his second spell with Wanderers and also joined them from Grimsby last season for a £16,000 fee.

He has also played for Rochdale, Bradford City, Crewe Alexandra, Cardiff City and Lincoln.

Bolton-born Julian Darby, a former England schoolboy international, made his debut against Blackpool in March 1986, and played 28 league games last term. **Mark Came**, signed from non-league Winsford United three years ago, missed only three league matches last season.

Derek Scott joined Wanderers from Burnley in June 1985 for £20,000. He made over 300 first team appearances with Burnley and has added over 80 games since moving to Burnden Park. **Dave Sutton** started his career with Plymouth Argyle and played for two promotion teams at Huddersfield. Cost Wanderers £12,000 two years ago.

Warren Joyce made his debut for Wanderers in the Second Division after winning schoolboy honours at cricket and rugby. He missed only two league games last term and Wanderers turned down a £30,000 bid for him from Peterborough during the summer. **Steve Thompson** also made 44 league appearances for Bolton last term and is the club's penalty expert.

Striker **Steve Elliott** cost £25,000 when he moved from Walsall last season. Served his apprenticeship with Nottingham Forest before moving to Preston North End and then Luton. Came to prominence at Deepdale after his £95,000 transfer. He made 38 league appearances with Bolton last term.
